

## Declaration of oath for antibacterial analysis

The undersigned .....

I do solemnly declare that the honey sample sent for the analysis of antibacterial activity meets the conditions of the Honey Laboratory for the analysis.

I am / am not \* interested in a Certificate and Quality Marks if the tested honey sample receives a quality mark based on the level of antibacterial activity.

I am aware that the price of the certificate is 15€, including 100 stickers. Over 100 pieces, I bear the cost of 0.05 € / sticker.

I do solemnly declare that the sample of honey sent for analysis of antibacterial activity was taken from one batch, in total amount of ..... kg and ..... (pcs) jars were filled containing ..... g of honey each.
